Strategy **Buy and Hold**

Profile Compatibility

Fit by Criterion

- Location: Illustrative market alignment
- Type: SFR preferred
- Strategy: Buy and Hold

Risk Analysis

- Sample condition evidence is incomplete.
- Illustrative comparable prices may not represent current demand.
- The ARV range is limited pending condition review.
- Renovation scope and timeline are not confirmed.

Evidence Considerations

- No inspection, title report, or expense statement is included in this sample.
- Comparable selection remains illustrative and must be reviewed.
- The ARV range is not an appraisal or return forecast.

Key Insights & Verification

Positive Signals

- The sample layout illustrates a four-bedroom SFR.
- The sample profile favors long-term holding.
- Two fictional recorded-sale examples meet the illustrated selection criteria.
- The illustrative ARV is limited because condition evidence is incomplete.

What's Missing

- No inspection, title report, or expense statement is included in this sample.
- Comparable selection remains illustrative and must be reviewed.
- The ARV range is not an appraisal or return forecast.

Key Considerations

- Sample condition evidence is incomplete.
- The rehab amount is not a verified contractor bid.
- Market changes can alter comparable relevance.

Recommended Next Steps

- Inspect property condition.
- Verify title and taxes.
- Obtain contractor bids.
- Validate rental assumptions.
- Review the selected comparable records.
- Validate property condition.
