Property type: 95%

Strategy: 79%

Risk analysis

- Future rent and resale prices may change.
- Inspect the actual property and validate contractor scope before reliance.

Evidence summary

1200 Sample Avenue: single-family home for buy and hold, asking $425,000. Qualified market references are detailed below, but do not establish returns.

Key Insights & Verification

Key findings and verification guidance

Positive signals

- 5 eligible sales support an ARV range of $535,000 to $575,000 for the rehabilitation scenario; this does not establish margin or return.
- RentCast estimates $3,200 per month for a rental scenario; the estimate does not replace the lease or income received.

Risk considerations

- Future rent and resale prices may change.
- Inspect the actual property and validate contractor scope before reliance.

Next steps

1. Verify title and inspection.
2. Review the lease and operating statements.
3. Confirm contractor bids and exit assumptions.
4. Validate property condition.
5. Verify title and encumbrances.
6. Inspect the comparable evidence.
7. Confirm all user-provided assumptions.
