Risk analysis

- Current contract rent is not confirmed. Market rent does not establish actual income or current NOI.
- Current market evidence does not support a valuation conclusion. Asking price is not a valuation.
- Insurance: applicability and amount are unconfirmed; operating costs remain incomplete.

Estimated Monthly Rent

I have not queried a market rent estimate for this property yet. Previous execution not recorded; this does not establish missing provider data.

Signal coverage

Insufficient evidence to qualify positive signals.

What's missing

- Current contract rent is not confirmed. Market rent does not establish actual income or current NOI.
- Current market evidence does not support a valuation conclusion. Asking price is not a valuation.
- Insurance: applicability and amount are unconfirmed; operating costs remain incomplete.

Next steps

1. Confirm the lease and income actually received to distinguish current performance from a market scenario.
   Reason: Current contract rent is not confirmed. Market rent does not establish actual income or current NOI.
2. Validate SOLDs and comparable condition.
   Reason: Identified sales do not yet support ARV.
   Unlocks: Verification of SOLD eligibility for ARV; a calculable range is not guaranteed.
3. Confirm whether insurance applies and document its amount or an explicit assumption; zero will not be presumed.
   Reason: Insurance: applicability and amount are unconfirmed; operating costs remain incomplete.
