Decision blocker

Primary opportunity **RentCast estimates $7,820 per month for a rental scenario; the estimate does not replace the lease or income received.**

Primary risk **Current contract rent is not confirmed. Market rent does not establish actual income or current NOI.**

Decision blocker **Confirm the lease and income actually received to distinguish current performance from a market scenario.**

Prioritized next checks

- Confirm whether insurance applies and document its amount or an explicit assumption; zero will not be presumed.

Publisher notes and description

- Synthetic rental-evidence control; not an actual property valuation.

This report supports decisions using available evidence. It is not an appraisal, financial advice, or a recommendation to buy or sell. GIS records do not replace a survey; declared zoning does not establish legal approval.
